ABOUT THE OWNER...

Originally from Bulgaria, Dess came to the United States in 1999. He started work at Chester Cab Pizza after a couple of dish-washing jobs and learning basic English. After only a year, he became the store manager. He enrolled into MCC and, after graduating as Student of The Year in 2003, he enrolled into the U of R. He transferred to RIT and graduated 1st of the class of 2006. In 2008, he completed his graduate degree at RIT. All that while he was working full-time, mastering the craft of making the best pizza in the world. When the previous owner discussed the possibility of closing down, Dess did not hesitate to make an offer. The chance to realize his American Dream and be an entrepreneur seemed like the perfect idea.
